Objective:

Using a synthesis of skill, thought, ideas, and connectivity, it is my goal to proliferate positive impact on community, culture, and sustainable business ideals.

Summary:

Perpetually seeking educational and developmental opportunities for artistic growth and social contribution.
Passionate about the creative process, print design, art.
Web design and development: HTML, CSS, Dreamweaver
Content development
Creative concept development
Building a brand: logo design, collateral including posters, business cards, brochures, etc.
Highly creative, detail oriented, reliable, motivated by challenge and problem solving
Works well in a team environment, or independently, fast to learn
Programs include but not limited to Photoshop, InDesign, Illustrator, Dreamweaver, Acrobat Professional, Microsoft Office.
Experience with HTML, CSS, and able to work on both Mac and PC platforms.

Education:

Classes included experience in working with community partners including Nike, non-profit organizations, team work, extensive research and work processes, multi media, community service, business, philosophy, ethics, cultural studies, and communication. Supplementary classes range from typographic study and letterpress to business, meditative fitness and language studies. Listed on Honor Roll for academic achievement in 2004, 2005, and 2006.
University of Oregon. Two years of course work and back core completed. Studies include business, philosophy, archaeology, dance, and anthropology.

Portland State University. Bachelor of Arts in Graphic Design, Summer 2006.
Pacific Northwest College of Art, Summer 2007.
